Choose to Re-Use once again at Garden District Farmers' Market Saturday

Alderman Terry L. Witkowski invites all Milwaukee residents to take part in tomorrow's **tools and gardening equipment "Choose to Re-Use"** initiative. The initiative will be taking place **tomorrow (Saturday, August 1)** from 1:30 to 4:30 p.m. at 6th street and Norwich Ave., just south of the Garden District Farmers' Market. "Choose to Re-Use" is a sustainable way to exchange serviceable items that residents no longer use, and tomorrow this initiative will be seeking donations of tools and gardening equipment. Shovels, hammers, rakes, gloves, saws, shears, and other items are fair game for the initiative and can be dropped off on Saturday.

The **Garden District Farmers' Market** will also be taking place across the street from the "Choose to Re-Use" initiative, from 1 to 5 p.m. The market looks to familiarize the local community with a variety of high quality, Wisconsin-grown produce and other items during the summer months.

The market will take place every Saturday through October 17 from **1 p.m. to 5 p.m. just south of W. Howard Ave. on S. 6th St.**
