College resource fair highlights career opportunities after high school

Alderman Russell W. Stamper, II invites students in grades 6-12 to the 2nd annual **College Resource Fair TOMORROW -- Saturday, October 17 -- from 10 a.m. to 2 p.m.** at North Division High School, **1011 W. Center St.**

The event is an effort to empower students and their families with viable career options after high school. Attendees will have the opportunity to meet representatives from the military, local universities and community/technical colleges.

The College Resource Fair will also host workshops on **financial aid information**, the **Milwaukee Fire Department Cadet program** and the **TRiO Program**, which provides **financial assistance** to low-income, first generation college students.

Representatives from the **Milwaukee Area Technical College (MATC)** will also discuss the MATC Promise program, which provides a **free college education** to eligible seniors.

College Resource Fair attendees will enjoy music from **V-100.7's DJ-O** during a community pep rally, along with complementary snacks and refreshments. The program will also offer exciting **prizes and giveaways**.

Alderman Stamper is delighted to have the event in the 15th District, and he hopes that youth will take advantage of the many resources the fair will provide.

“The College Resource Fair is a wonderful opportunity for students to learn about the many career prospects that await them,” he said. “Our youth are an invaluable asset to the community, and this event will educate them on the many resources available to help them harness their potential in order to build successful careers.”

For more information on the College Resource Fair, call Wilma Spann at (414) 342-4281, or go to www.spannfoundation.org.
