Replacement of laterals, water mains for lead abatement on S & R Committee's agenda

The **Steering and Rules Committee** will discuss the replacement of water mains and laterals for the purpose of lead abatement when it meets at 1:30 p.m. **tomorrow (Thursday, June 23)**, said **President Ashanti Hamilton**, chair of the committee.

President Hamilton said representatives from various city departments will be at the table to discuss the lead abatement issue with lateral and water main replacement in the city. "It's important that we bring the discussion to the committee for the benefit of the public," President Hamilton said. "We need to gather the facts and then examine what actions need to be pursued."

Thursday's Steering and Rules Committee meeting will be televised live on the City Channel (Channel 25 on Time Warner Cable and on AT&T U-Verse Channel 99) in the City of Milwaukee. It can also be viewed via streaming video on the city website at www.city.milwaukee.gov/Channel25.
