MEDIA ADVISORY

Free Back-To-School Immunizations Available for Milwaukee Students

Alderman Cavalier Johnson invites all Milwaukee students and families to attend a **Back-To-School Health Clinic today, August 29**. The event will provide free immunizations and school supplies, while supplies last. It will take place from 12 p.m. to 3 p.m. at Westlawn Gardens East Community Room. As a reminder, the Milwaukee Health Department no longer provides immunizations to individuals with private insurance. Attendees should also bring their child's immunization records to the clinic.

"This health clinic is a great way to kick off the school year," Alderman Johnson said. "I'm thankful to the program's sponsors for providing free immunizations and school supplies to Milwaukee students."

The event is sponsored by The City of Milwaukee Health Department and the Housing Authority of the City of Milwaukee.
