Alderman Kovac invites community to join students in Arbor Day tree planting

Alderman Nik Kovac invites neighbors and community members to take part in an Arbor Day tree planting **Friday, April 29 at 10:30 a.m.** along the Beerline Trail between E. Burleigh Street and E. Auer Avenue, behind Café Corazon at **3129 N. Bremen St.**

Fourth grade students from Escuela Fratney will join Alderman Kovac, the City of Milwaukee Forestry Division, the Riverworks Development Corporation BID and local community members in planting six trees along the newly-opened segment of trail. Alderman Kovac said the community response has been phenomenal since the trail extension opened, and the tree planting offers students and residents the opportunity to take even greater ownership of this recreational asset.

“I would like to thank Riverworks, Escuela Fratney, Café Corazon and the neighbors in the area for being such great stewards of this Beerline Trail extension,” Alderman Kovac said. “Now that the hockey rink has melted, this Arbor Day tree planting project is a wonderful way to kick off a celebration of Spring in the neighborhood.”

Media coverage is invited.

What: Arbor Day tree planting

When: Friday, April 29 at 10:30 a.m.
