## **East-West Bus Rapid Transit Feasibility Study Public Open House**

The next public meeting for the East-West Bus Rapid Transit Feasibility Study is being held **TONIGHT** and will focus on MCTS bus routes serving Marquette University, including the: GoldLine, BlueLine, Routes 14, 23, 30, and 30X.

The meeting at Marquette University this evening (Wednesday, May 18) is an open house, with exhibits and maps displaying the latest study information, including alternatives under consideration, conceptual costs, benefits and potential impacts. The initial route may go through neighborhoods included in the Downtown, Near West Side, and West Side Plan areas.
