JCP Construction to open new headquarters on Historic MLK Drive

A locally-owned construction contractor that has helped shape iconic projects like the Northwestern Mutual Tower, the Moderne and the MSOE parking and soccer complex, **JCP Construction** will host the grand opening of its new headquarters at 1849 N. Dr. Martin Luther King Jr. Dr. on Thursday, March 24. **Media coverage is invited.**

Alderwoman Milele A. Coggs and **Mayor Tom Barrett** will both offer their remarks during the grand opening, which is scheduled to begin at 4:00 p.m. Alderwoman Coggs said the new headquarters might not have been possible without the assistance and input of the **Historic King Drive Business Improvement District**, which works to foster new development and economic activity in the corridor.

“JCP Construction is an excellent model of the kind of innovative entrepreneurship on which King Drive is predicated,” Alderwoman Coggs said. “I’m very pleased to welcome them to their new home, and I think their headquarters here will bring significant value to the area as yet another example of King Drive’s great potential as an economic hub.”
