## **Job fair recruits Wisconsin workers for advanced manufacturing positions**

Alderman Russell W. Stamper, II is inviting residents to attend an **advanced manufacturing recruitment event** to learn more about current and future job openings. The event will take place **TOMORROW - Thursday, October 19th** from **3 p.m. until 7 p.m.** at **American Serb Hall, 5101 W. Oklahoma Ave.**

This job fair will allow attendees to explore jobs, local education opportunities, and training resources in southeastern Wisconsin's growing advanced manufacturing industry. Job seekers are encouraged to dress for success, bring multiple resumé copies, and prepare to meet hiring managers in person.

Participating employers include Briggs & Stratton, DRS Technologies, Eaton, Foxconn, GenMet Corp., Krones USA, Midwest Engineered Systems, and more. Potential jobs include machinists, electricians, maintenance, managers, accountants, clerical, IT, operations, logistics, engineers, designers, and sales.

Alderman Stamper said, "This job fair is a great opportunity for Milwaukee residents to get involved with the growing manufacturing industry in Wisconsin. We all love American Made products, and now you can help create them."
