New business grand opening set for Monday on W. Capitol Dr.

Aldermen Cavalier Johnson and Michael Murphy will attend the **8:30 a.m.** grand opening of the **Tuckers Truck Driving Academy, LLC** on **Monday, June 19**, at 7027 W. Capitol Dr.

Tuckers Truck Driving Academy was started by Melvin Tucker to train those who wish to have a career in commercial truck driving. Mr. Tucker has more than one million miles of accident-free truck driving and has driven and trained drivers for trucking giant J.B. Hunt. Mr. Tucker also has extensive knowledge in operating semi-tractors and trailers.

Alderman Johnson said the new business – located in the Dineen Park neighborhood and along a busy commercial area where he intends to help create a Business Improvement District – will help launch careers. “Job creation starts with small businesses like Tuckers Truck Driving Academy, and there many residents can pursue the driver training and knowledge they can use to start a career path that is highly transferable, one that is in demand and one that could literally take them across the U.S.,” he said.
