Alderman Cavalier Johnson offers condolences to family and friends of young children killed in a fire

Statement by Alderman Cavalier Johnson

I want to express my condolences to the family and friends of Romeo Robinson and his sister Stephanie. Romeo was a kindergarten student and attended Maple Tree Elementary School; his younger sister was just two-years-old. I was saddened to hear of their tragic loss of life in a house fire over the weekend. My thoughts and prayers go out to everyone affected by the passing of these young children.

Now is a time we can all be supportive of those affected. If you or a friend need a smoke detector and have hopes of preventing a tragedy like this in the future, please call the Milwaukee Fire Department's Smoke Detector Hotline at 414-286-8980.
