Sierra Club to host World Water Day news conference at City Hall

Wisconsin Sierra Club representatives will host a news conference at City Hall tomorrow (Wednesday, March 22) to discuss important local and global water issues. The news conference will be held at 12 p.m. (noon) in the first floor rotunda at City Hall, 200 E. Wells St.

According to Alderman Jim Bohl – who will participate in the news conference – the event will touch on key water issues in recognition of **World Water Day 2017**.

“I am proud to be joining officials with the Sierra Club, an esteemed organization with an outstanding history of important work, to highlight key water issues in Milwaukee, across our state, and across the globe on World Water Day,” said Alderman Bohl, chair of the city’s Water Quality Task Force. “Our work to preserve the purity of our fresh water and our environment is critical and begins right here at home.”

What: Wisconsin Sierra Club news conference

When: 12 p.m. on Wednesday, March 22

Where: City Hall, 200 E. Wells St.
