Garfield Art House Party to mark major development grand opening in Bronzeville

Alderwoman Milele A. Coggs invites residents to the **GRAND OPENING** of the **Historic Garfield Apartments** with the **Art House Party** celebration on **Thursday, October 26** from **5 p.m. to 8 p.m.** at **2215 N. 4th St.**

All four floors of the building will showcase a different event. On the first floor, there will be a paint class and performances by **Christopher McIntyre Perceptions**, the second floor will have Stanzas, Stories, and Spades by **Dasha Kelly and Stillwater Collective**, and the third floor will feature Art Elevation with Live Painting and Music by **Jazale's Art Studio**. **The fourth floor** activities will be hosted by **the America's Black Holocaust Museum** with a presentation called *Our Past, Present, and Future*.

The Historic Garfield Apartments are part of a larger development project that includes the Griot Apartments. The development total is a \$17.7 million investment. The city is a partner in the development by creating a tax-incremental financing district, and the land was purchased from the city at a low cost.

Alderwoman Coggs says, "This highly anticipated apartment development will be move-in ready on November 1. Many have been looking forward to this, as it is a beautiful redevelopment of a formerly vacant school and the latest in a series of developments in the Bronzeville area."

Residents interested in leasing the new units can call Horizon Property Management at 414-640-3453.
