## Sherman Park branch of BMO Harris Bank open to area residents

**Alderman Khalif J. Rainey** is excited to announce that the **BMO Harris Bank Building is open** to area residents in the **Sherman Park Neighborhood**. The new location is at **3637 W. Fond du Lac Ave.**, across from the previous location.

Alderman Rainey says, “This new branch marks an exciting new commitment to our community. District 7 is creating a better future, financial district, and place for all of our residents to call home.”

The new 2,200 sq. ft. bank branch offers a digital experience to its customers. The new branch offers video conferencing with banking professionals, ‘smart’ ATMs, and free Wi-Fi for its customers. The full service branch had its groundbreaking in May, and is now open to the public.
