Public Safety and Health Committee to take up reckless driving file

A communication file will be taken up **Thursday (October 5)** by the **Public Safety and Health Committee** to spur discussion and information sharing about the city's reckless driving problem, according to Committee Chair **Alderman Bob Donovan**.

Representatives from the Sherman Park Community Association will provide testimony and a command staff member of the Milwaukee Police Department will also appear to discuss the reckless driving concerns, Alderman Donovan said. "The discussion is timely as it comes on the heels of Monday's horrendous fatal collision at 35th and Capitol where the driver blew the red light and killed a mother and her young daughter," he said.

"Sadly that collision and tragedy is but one of many across Milwaukee that make driving in our city a scary endeavor for all of us," Alderman Donovan said. "It's important for us to discuss the reckless driving issue in depth with citizens and with MPD."

Thursday's committee meeting **will be televised live** on the City Channel (Channel 25 on Spectrum Cable and on AT&T U-Verse Channel 99) in the City of Milwaukee. It can also be viewed via streaming video on the city website at www.city.milwaukee.gov/Channel25.
