ROBERT G. DONOVAN

ALDERMAN, 8TH DISTRICT

A dedicated city worker we will miss

Statement from Alderman Bob Donovan

March 23, 2017

A good man and a dedicated city worker – Greg “Ziggy” Zyszkiewicz – was taken from us in a sudden and senseless manner yesterday while carrying out his duties for the Department of Neighborhood Services. My thoughts and prayers are with his family at this difficult moment.

Milwaukee is lucky to have so many talented and dedicated city workers who love this city and who work hard and move the ball forward each and every day. I feel lucky to have been able to work with Ziggy directly on several occasions in my district, and he accompanied me on several neighborhood walks where we met and talked with neighbors about concerns and options for making neighborhoods better. He was a respected and thoughtful man, and Ziggy’s contributions and talents will be missed by everyone in the city family.

It makes me angry and it is incredibly sad when one of our city’s worst decides to take one of our best, and for no apparent reason other than because Ziggy was doing his job, and was there because of a work assignment. I am asking anyone who knows anything about his murder to contact Milwaukee police immediately.

In the meantime, we will grieve Ziggy’s loss together and will honor his memory.
