MEDIA ADVISORY

Safer space and community cohesiveness in the Woodlands and White Birch communities

Alderwoman Chantia Lewis will announce tomorrow (Saturday, May 6) how community partners and residents will be joining together to make a positive difference in the Woodlands and White Birch neighborhoods this summer.

Alderwoman Lewis said she is working with neighbors and partners in organizing for a productive and peaceful summer of activities in the neighborhoods. "Providing access to key resources and interacting and working with neighbors will allow for a stronger neighborhood and a positive summer for everyone," she said.

"I invite the community to join me and other stake holders on Saturday as we roll out our plan for a summer of community building and progress," Alderwoman Lewis said.

- What:** Community building plan roll-out
- When:** 11 a.m. to noon on Saturday May 6
- Where:** Northwest YMCA, 9050 N. Swan Rd.
