Community listening session about public recreation set for June 1

On **Thursday, June 1** Alderwoman Chantia Lewis will join Milwaukee Public Schools (Milwaukee Recreation) representatives for a listening session to hear citizens voice their concerns, needs and suggestions about public recreation options.

Alderwoman Lewis said Milwaukee Recreation is working to expand programming for youth and adults at Vincent High School beginning this fall. "Which recreation programs would you like to see at Vincent High School? Please join us to share your thoughts and discuss the possibilities with your neighbors," she said.

The session in the auditorium at **Vincent High School** (7501 N. Granville Rd.) will begin at **6:30 p.m.** The public may call **414-475-8811** with questions or for additional information regarding the event.

"This listening session at Vincent is the first time that MPS Rec will be coming to the 9th District because there is a need and (MPS Superintendent) Dr. Driver and I want to make sure the children of the 9th have access to quality programming," Alderwoman Lewis said. "The session is a prime opportunity for citizens to ask questions about recreation matters and to share their concerns, and I strongly encourage people to attend."

What: Community listening session

When: 6:30 p.m. Thursday, June 1
