Name calling from Mayor's Chief of Staff will not be tolerated

Statement by Alderman Tony Zielinski

Recently, Mayor Tom Barrett's Chief of Staff, Patrick Curley, lowered himself to name calling while talking about members of the Common Council. The mayor purports to be such a nice guy, yet he allows his chief of staff to be his microphone in name calling other city officials. We need to get back to the issues. The public wants an open and transparent public discussion on policy issues, what they don't want is petty name calling.
