SPRING 19

Hello Neighbors,

Sometimes I think instead of 4 seasons, we only have two (winter and construction). This last February we had five snow events in three weeks. With the incredible challenge of keeping up with the plowing, we were not able to stay on schedule with recycling and garbage pickup. The team at the Department of Public Works did the best they could but my office was in constant contact via phone and email, stopping at the yard and actually speaking with plow drivers while they were working. I apologize for any inconveniences, but please know that we strive to do our best and that will continue. Thank you for your support.

And construction, this season to Thanksgiving, we will finally be done with South 60th Street. We should not need to work on this for another 75 years. A huge thank you to all, especially those who live on that street, for your patience and understanding. This is the last of a three-year project.

Finally, please call on us anytime. Sherry, my outstanding legislative assistant, and I are here to serve.

Enjoy the summer!

Sincerely,

Alderman Mark A. Borkowski

COMMITTEE ASSIGNMENTS

Chair

- Judiciary & Legislation Committee

Vice Chair

- Public Works Committee

Member

- Steering & Rules Committee
- Public Safety & Health Committee
- Milwaukee Board of Harbor Commissioners

Town Hall Meetings

Alderman Borkowski will hold a town hall this fall to meet residents and discuss important issues affecting 11th District neighborhoods and the city as a whole.

TUESDAY, AUGUST 6, 2019

6:00 p.m. – 7:00 p.m.

ZABLOCKI LIBRARY
3501 W. OKLAHOMA AVE.

TUESDAY, OCTOBER 8, 2019

6:00 p.m. – 8:00 p.m.

HAMILTON HIGH SCHOOL
6215 W WARNIMONT AVE.

Neighborhood Block Watch

Block Watch is a program allowing neighborhoods the opportunity to come together and help prevent and report crime. One of the best tools used to fight crime is a good neighbor. The Police Department can't be on every corner, so a watchful and alert neighbor is an excellent tool to help direct police officers to suspicious activity and possible crime.

START A BLOCK WATCH

To start a Block Watch in your area, please **contact Milwaukee Police Officer Joshua Dummann 935-7198 or email jdumma@milwaukee.gov**.

New Businesses in the 11th District

New companies and businesses have been opening their doors throughout the 11th District over the past several months. Ald. Borkowski encourages residents to give them a try:

Burger King
S 27TH & EUCLID

Storage Units
CORNER OF S 68TH & W MORGAN AVE

El Jimador Mexican Restaurant
3447 W FOREST HOME AVE

Buenavista Banquets & Restaurant
7507 W OKLAHOMA AVE

Mexican Village Authentic Mexican Cuisine
3161 S 92ND ST

Paving Projects in the 11th District

2019 PAVING PROJECT

- S. 60th St. from Kinnickinnic River Pkwy. to Morgan.** Concrete reconstruction will happen in the spring/summer of 2019
- S. 35th St. bridge** over the Kinnickinnic River Rehabilitation Project
- S Massachusetts** - Duluth to Morgan

2019 SEWER PROJECT

- S. 76th St.** - 485' +/- south of W. Van Beck Ave. to 190' +/- south of W. Ohio Ave.
- W. Morgan Ave.** - S. 35th St. to S. 41st St.
- S. 41st St.** - W. Morgan Ave. to S. Cherokee Way.
- N. 79th St.** - W. Mt. Vernon Ave. to Honey Creek outfall.
- N. 80th St.** - W. Mt. Vernon Ave. to Honey Creek outfall.
- W. Sumac Pl. (ext)** - W. Kinnickinnic River Pkwy. to Kinnickinnic River outfall.

We understand that some of these upcoming projects may impact your ability to get to and from work and/or home and do apologize for any inconvenience. If you have questions or comments, please contact the **Department of Public Works** at **(414) 286-CITY (2489)**.

DECEMBER 2019 • NO MEETING

About Wireless Emergency Alerts

What Are Wireless Emergency Alerts?

Wireless Emergency Alerts (WEA) are emergency messages sent through your mobile carrier by authorized government alerting authorities, such as FEMA, National Weather Service, Wisconsin Emergency, Management and Milwaukee County OEM.

Alerts received at the right time can help keep you safe during an emergency. With WEA, warnings can be sent to your mobile device when you may be in harm's way, without a special app or subscription.

**NEXT
WEA TEST
WED., NOV. 6
12:00PM**

What Types of Alerts Will I Receive?

Tornado Warnings, Blizzard Warnings, Extreme Wind Warnings and Flash Flood Warnings in Milwaukee County; AMBER Alerts; Presidential Alerts during a national emergency. Follow any action advised by the message. Seek more details from local media or authorities.

What Does a WEA Message Look Like?

WEA will look like a text message. The WEA message will show the type and time of the alert, any action you should take, and the agency issuing the alert. The message will be no more than 90 characters. WEA messages include a special tone and vibration, both repeated twice.

When Will I Receive WEA Messages?

Milwaukee County OEM began regular testing of the WEA system in April 2019. In an actual emergency, you may receive multiple messages as conditions change.

How Does WEA Know Where I Am?

Just like emergency weather alerts you see on local TV, WEAs are broadcast from area cell towers to mobile devices in the area. Every WEA-capable phone within range receives the message, just like TV that shows the emergency weather alert. WEA, like the TV station, doesn't know exactly who is tuned in.

What If I Don't Want WEA Messages?

We don't recommend it, but you can opt-out of receiving WEA messages for all but Presidential messages. To opt out, adjust settings on your mobile device.

What If My Device Isn't WEA-Capable?

WEA is only one of the ways you receive emergency alerts. Other sources include NOAA Weather Radio, news broadcasts, the Emergency Alert System on radio and TV programs, outdoor sirens and internet services. ■

In March 2019, Ald. Borkowski at Alverno College speaking in a classroom about city government and city issues.

Garbage Guidelines

Collection Schedules - Schedules can be found online at milwaukee.gov/collection-day or by calling **414-286-CITY**.

All garbage must be in bags. Do not place loose garbage in the cart. This helps prevent litter, helps to not attract wildlife, and helps keep our neighborhoods clean. **Bulky items that do not fit in the garbage cart and construction and demolition waste have separate guidelines.**

Some items are banned from the landfill. Do NOT put these items in your garbage cart or out for garbage collection. Recyclables, Appliances, Branches and Brush (Branches and brush must be collected separately), Electronics, Grass Clippings, Hazardous Waste, Leaves, Tires. **Please call our office at 414-286-3768 or visit city.milwaukee.gov/mpw/divisions/operations/environmental/sanitation/Garbage-Guidelines for more details.** ■

**NOW IT'S
EVEN BETTER!**

- ▶ Cartons
- ▶ Glass bottles & jars
- ▶ Metal pots & pans
- ▶ Mixed paper & junk mail
- ▶ Newspapers, magazines & catalogs
- ▶ Phone books
- ▶ Steel cans & empty aerosol cans

11th District Clean-up Opportunities

It's Spring Clean-Up Time!

The City of Milwaukee's annual Project Clean & Green is your opportunity to clean up and clean out your attic, basement, spare room and garage. Department of Public Works Sanitation crews will pick up many items that they usually do not collect during a regular cycle. Additionally, the City of Milwaukee has passed a new law that litter violators will be fined \$500 per violation.

District #11 Project Clean and Green Dates: Zone 6 – June 11-17

Simply set out your unwanted items at your usual collection site – either the curb line or alley line – on your usual collection day.

Find out when your collection day will be during the week of June 11-17, and what DPW will and will not pick up during Project Clean & Green at milwaukee.gov/mpw.

Can't take part in this annual clean-up or you have stuff that DPW will not collect? Take your trash to the City Drop-Off Center at 6660 N. Industrial Rd. (enter off Mill Rd). Get more information at: milwaukee.gov/mpw. 

Department of Public Works is taking reservations for clean-up boxes

DPW is taking reservations for neighborhood clean-up boxes for 2019. Up to 13 boxes will be placed in neighborhoods requesting them each Saturday from April 27 through July 27. Boxes will be placed between 2:00 and 10:00 a.m. on the Saturday you request, and will be picked up after 4:00 p.m. that same day (to deter illegal dumping and maximize the use of the boxes citywide).

The criteria for reserving and using a clean-up box:

- Requestors must organize a neighborhood clean-up prior to reserving a box
- Boxes are only placed on accessible street corners – not on vacant lots or parking surfaces
- Boxes are not placed for use by businesses, schools, or churches
- Boxes will not be relocated once placed – they will be removed if neighbors complain
- Reservations are limited to two (2) boxes per weekend, out of a maximum of 13 boxes
- Organizers may only reserve boxes once every eight (8) weeks.

Save the Date: Citywide Clean-Up Project – Saturday, August 17

Litter and trash impact Milwaukeeans' quality of life everywhere we live, work and play.

Plans are underway for a Citywide Clean-Up Project scheduled for **Saturday, August 17**. Stay tuned

for more information on how you, your block watch, neighborhood association, church or school group, and business can get involved to make Milwaukee a cleaner, safer, more environmentally sound, visitor-friendly place that we call home. 

To make your reservation with DPW, go to milwaukee.gov/neighborhoodbox or call **(414) 286-3599**.
