Common Council members showing support for the World Series champion Milwaukee Brewers!

Dear Neighbor,

First, a huge congratulations to our World Series champion Milwaukee Brewers! This team is an embodiment of our great city. The resilience and determination they showed this season is something we see every day throughout Milwaukee. Congrats, Brewers!

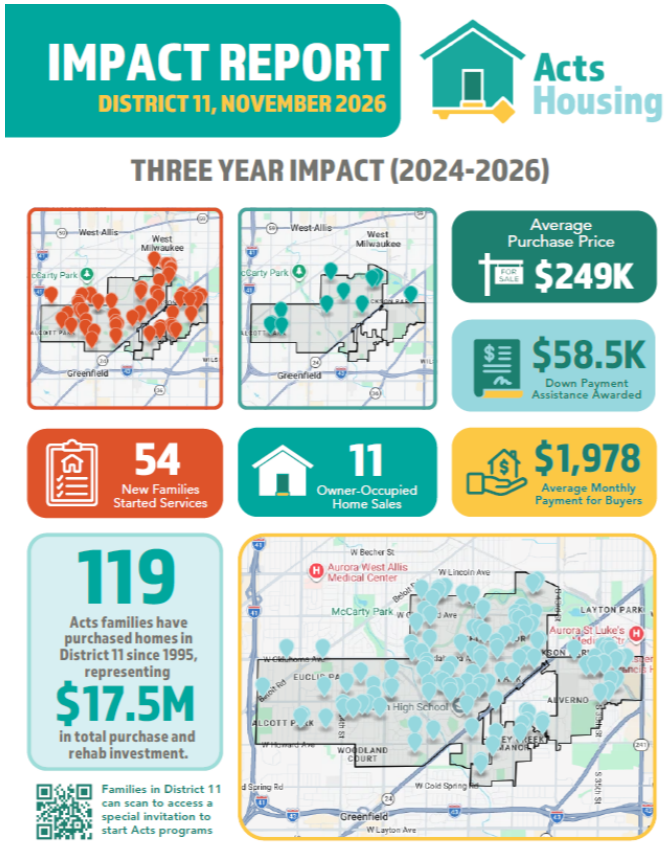

At City Hall, we have concluded our work amending the Mayor's proposed 2027 budget. While many budget amendments were successful, some were not. We worked to craft a budget that reflects resident priorities. Namely, improving our aging infrastructure with record funding for paving and roads, and making sure electrical services staffing and equipment can maintain and replace our streetlights. Unfortunately, public safety investments fell far short of what our city needs, and I'm genuinely disappointed in how most of my colleagues voted. I also didn't support higher snowplowing and streetlight fees.

As we move closer to the holiday season and winter, please make sure you are ready for the inevitable cold and snow that will head our way. I wish you and your loved ones a joyous early Thanksgiving, and I look forward to seeing you out and about in the district.

Acts D11 Impact Report

Acts Housing makes it possible for families with barriers (credit, savings, financial, language, etc.) to become homeowners. They work alongside the families they serve as coaches, guiding them through every step of the home buying process. Acts has helped thousands of families achieve their goal of homeownership and become homeowners, including many in District 11, and they are one of three organizations that the City of Milwaukee supports to assist first-time home buyers throughout the city.

The three year impact report shows just how committed and effective Acts has been in helping families in our area. To learn more about Acts Housing including their missions, community impact, and service offerings, please visit actshousing.org.

Winter Parking Reminder

Beginning December 1, winter parking rules are in effect throughout Milwaukee. No Parking on through highways and bus routes is allowed overnight (2 a.m. - 6 a.m.). During a Snow Emergency, alternate-side parking is required from10 p.m. - 6 a.m., unless otherwise posted. Vehicle must be legally parked and in compliance with posted signs. Compliance with winter parking regulations is necessary to keep the City of Milwaukee moving! Certain residential streets are also restricted to parking on a specific side of the street during the winter months. These streets are posted with signs reading "No Parking" on one side of the street, either for the entire December 1 to March 1 period, or with a monthly alternation of the prohibited side. To sign up for parking alerts to be aware of all the latest news, visit Milwaukeeparkingalerts.com.

Building a Better Budget

After weeks of review and discussion, the Common Council has adopted an amended 2027 city budget. This includes my most significant budget amendment this year - a 1% increase for all General City Employees, plus an additional $1 per hour for all positions in pay ranges with a minimum of $25 per hour or less, and 50 cents per hour for all positions in pay ranges with a minimum between $25.01 and $30 per hour. This amendment directs more of our limited compensation dollars toward lower-paid workers while providing a general increase for everyone. Our city depends on our employees, and this approach provides greater equity for many employees, while ensuring all general city employees receive the additional compensation they deserve. You can check out all of this year's amendments, department presentations, and other budget related items here.

Community Thanksgiving Event

Live Laugh Loaves MKE, a volunteer-driven nonprofit organization in D11, is hosting a community Thanksgiving event on Saturday, November 14 from noon - 4 p.m. at 5335 W. Oklahoma Ave. This event, in partnership with the City of Milwaukee and Milwaukee Police District 6, is entirely free and open to the public.

Stop by for a meal, socializing with neighbors, and taking a moment to be thankful this time of year. Advanced registration is encouraged at livelaughloaves.com/thanksgiving. Don't have computer access? You can call (414) 356 - 9883.
