

E-NEWSLETTER | July 2026

Ald. Burgelis speaking with area neighbors at the MPD District 6 community cookout at Wedgewood Park on July 11.

Dear Neighbor,

I hope you are enjoying summer and all the wonderful things our district and city have to offer. We started the month strong by celebrating 4th of July which included two wonderful neighborhood parades, and we have more community events around the corner as you'll see in this e-newsletter. During August, the Common Council is on legislative recess, but we will still be at City Hall working for you, particularly as we prepare to receive, discuss, and amend the Mayor's proposed 2027 budget in September. As we approach this time of year, please don't hesitate to reach out with what you think are pressing priorities we need to address in the next budget. You can also take our short budget survey [here](#). I look forward to seeing you out and about the district as summer rolls on.

D11 Community Bike Ride

Grab your bike and bring your neighbors! Join us for a fun, slow-roll community ride through District 11—perfect for all ages and skill levels. We'll gather at 5:30 PM at the Jackson Park Farmer's Market, then roll out together at 6:00 PM for a leisurely loop around the District. We'll return by 7:00 PM in time to enjoy the summer evening. A limited number of Bublr bikes are available for free. To reserve one, visit tinyurl.com/D11ride.

Request a Neighborhood Walk

There is still time to host a summer neighborhood walk in your area. These public events provide residents an excellent opportunity to walk their block, highlight specific infrastructure needs, and discuss quality-of-life concerns with city staff. To request a walk in your specific immediate neighborhood, you can contact Alderman Burgelis directly by phone at (414) 286-3768 or via email at Peter.Burgelis@milwaukee.gov.

COMMUNITY BIKE RIDE

If You See a Pothole - Report It!

If you have a pothole on your street, report it to the Department of Public Works for repair. To report a pothole or other street maintenance problems:

- Call the City Unified Call Center at 414-286-CITY (2489)
 - Submit an [online service request](#)
 - Submit a service request via the mobile app MKE Mobile Action
- While we use preventive maintenance to avoid severe pothole problems, potholes usually develop in older pavements as water in cracks in the pavement expands and contracts as it freezes and thaws. Heavy traffic also causes fatigue in pavement weakened by age and frost action. We regularly check for surface problems on streets with older pavement to keep ahead of any problems. We welcome calls from citizens to report situations in their neighborhood or on their traffic routes. If you notice a pothole in a street or alley, please report it right away.

FEMA Assistance from April Storms/Flooding

FEMA announced that federal disaster assistance is available to the state of Wisconsin to supplement recovery efforts in the areas affected by severe storms, tornadoes and flooding from April 13-23, 2026. Individuals and families who sustained losses in the designated areas should first file claims with their insurance providers and then apply for assistance online at www.DisasterAssistance.gov, by calling 1-800-621-3362 or by using the FEMA App. If you use a relay service, such as video relay service (VRS), captioned telephone service or others, provide FEMA the number for that service.

S 43rd St. Project – WE Energies

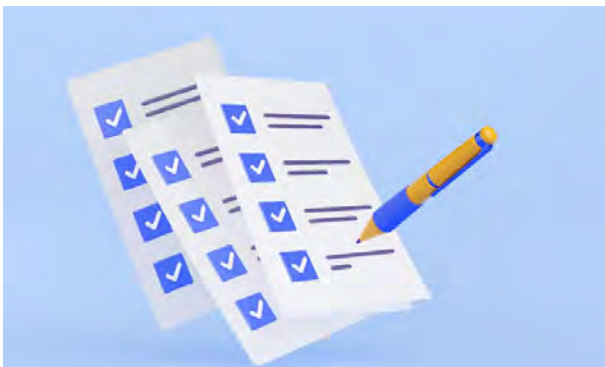

The intersection of W. Euclid Ave. and S. 43rd St. will reopen the week of July 20 after trenching work there is completed.

Trenching from north of W. Morgan Ave. to W. Oklahoma Ave. is expected to be completed at the beginning of August.

Restoration of the roadway in that stretch of the project will be completed by the end of August and those lanes of S. 43rd St. will be open after restoration. Manholes will be installed in two spots on S. 43rd St. north of W. Forest Home Ave. between mid-August and mid-September. These installations will mean a full closure and detour that will last for two days around each manhole installation.

Budget Priority Survey
