14TH DISTRICT | MONTHLY NEWSLETTER | Aug. 2020

“ A few weeks ago marked my 100th day in office serving as Alderwoman of the 14th District, a position I'm proud to have and a responsibility I take seriously. The first 100 days have been underscored by notable events, namely the global pandemic we are still navigating today. However, thanks to your input and activism we have been able to accomplish a lot in a short amount of time. As the summer draws to a close I look forward to taking further steps to rebuild our city to a point that it is stronger than it was pre pandemic, and working with all of you on important issues like the 2021 City budget. I look forward to seeing you out in the district! ”
