President Ashanti Hamilton
(414) 286-3779

**Common Council President Ashanti Hamilton participating in bike to
work week**

Wisconsin Bike Fed, Lime among partners

Common Council President Ashanti Hamilton will bike to work Monday June, 4 to celebrate Wisconsin Bike Week. President Hamilton will use a bicycle provided by Lime to ride downtown and will join Mayor Tom Barrett for a press conference after the ride in Red Arrow Park.

“As transportation remains a barrier between some community members and jobs, I’m hoping events like these will prompt more people to consider bicycle commuting as a possibility,” said Pres. Hamilton.

Interested cyclists are welcome to join at any point during the ride. Media coverage is welcome and encouraged at the beginning, along the routes, and at the press event.

A detailed route for President Hamilton can be found here
