MEDIA ADVISORY

Support Safe Walking & Biking to School in Choice Neighborhood

Alderman Cavalier Johnson invites residents to **discuss safe walking and biking** to school at an event at Carmen Middle/High School of Science and Technology: Northwest Campus on Wednesday. **Enjoy a free dinner** while sharing ideas and concerns about traffic safety around Carmen and nearby elementary schools (Browning, Kilbourn and Kluge).

“Take advantage of this opportunity to have your voice heard about safe walking and biking to school and around the Choice Neighborhood,” said Ald. Johnson.

Experts from the community and the Wisconsin Bike Fed will be there to collect these ideas and then work towards implementing them. There will also be a **free bike giveaway** to one lucky family. The Choice Initiative and Carmen Middle/High School are among sponsors.

- What:** Support Safe Walking & Biking to School
- When:** Wednesday, November 28 from 5 to 7:30 p.m.
- Where:** Carmen Middle/High School, 5496 N. 72nd St.
(enter through the parking lot on Strathmore Ave.)
