Donated school supplies to be delivered to Pierce ES today

Alderwoman Milele A. Coggs and PCA will deliver a shipment of school supplies donated earlier this month during Bronzeville Week to Pierce Elementary School, 2765 N. Fratney St., at **12:30 p.m. today.**

The supplies were donated during the **3rd Annual Bronzeville Sleepover for Education** held on August 10 during Bronzeville Week. The event – which focuses on fun and learning while students and parents sleep overnight outdoors – was made possible thanks to a partnership with the Milwaukee Police Department and Pete’s Fruit Market. Additional sponsors include Senator Lena Taylor, League of Martin, Voices Against Violence Coalition, S.O.S.

Alderwoman Coggs said the generosity shown by those who donated the school supplies was touching. “I want to offer my sincere gratitude to those who went out of their way to donate the much needed supplies for local students,” she said. “The supplies will be put to good use and will help our students be better prepared to learn on the first day of school.”

Media coverage of the supplies delivery is invited.
