Lunch & Learn Summer Series offers helpful training for developers

The fourth FREE Lunch and Learn Summer Series session focused on **Occupancy** will be held from **noon to 1 p.m. on Monday, August 20 in room 301-B** at City Hall, 200 E. Wells St.

The series – about real estate development processes and procedures – is geared toward emerging developers in Milwaukee and was created by **Alderman Milele A. Coggs, Alderman Khalif J. Rainey** and **Alderman José G. Pérez**.

All Lunch and Learn sessions are free and attendees should bring their own lunch. Please see the full schedule below and on the **attached flyer**.

Alderman Coggs, Alderman Rainey and Alderman Pérez – ACRE (Association of Commercial Real Estate) alumni – developed the concept for the series to allow those interested in development to explore current development opportunities and challenges. The sessions are free and open to the public and offer valuable insights into a variety of subjects that are critical to any developer working in the City of Milwaukee.

The Monday, August 20 session on Occupancy will cover several topics including **challenges to obtaining occupancy permits, and how to better work with building and zoning codes in determining occupancy**, (also What types of occupancies are there? City process for occupancy and Proposed uses).

Seating is limited and prospective attendees are encouraged to go to milwaukee.gov/LunchAndLearn to sign up.
