Lunch & Learn Summer Series offers helpful training for developers

The fifth FREE Lunch and Learn Summer Series session focused on **Basic Building Code** will be held from **noon to 1 p.m. on Monday, September 24th in the first floor conference room** at 809 N. Broadway St.

The series – about real estate development processes and procedures – is geared toward emerging developers in Milwaukee and was created by **Alderman Milele A. Coggs, Alderman Khalif J. Rainey** and **Alderman José G. Pérez**.

All Lunch and Learn sessions are free and attendees should bring their own lunch. Please see the remaining schedule below and on the **attached flyer**. **Seating is limited** and prospective attendees are strongly encouraged to go to milwaukee.gov/LunchAndLearn to sign up.

Alderman Coggs, Alderman Rainey and Alderman Pérez – ACRE (Association of Commercial Real Estate) alumni – developed the concept for the series to allow those interested in development to explore current development opportunities and challenges. The sessions are free and open to the public and offer valuable insights into a variety of subjects that are critical to any developer working in the City of Milwaukee.

The Monday, September 24 session on Basic Building Code will cover multiple topics including **how different uses impact building code requirements**, and **a broad understanding of new construction and existing buildings**.
