Lunch & Learn Summer Series offers helpful training for developers

Final session of year takes place today

The sixth **Lunch and Learn Summer Series** session focused on **Working with Dept. of Public Works** will be held from **noon to 1 p.m. today (Monday) October 15 in the first floor conference room** at 809 N. Broadway St. This will be the final session of the year.

The series – about real estate development processes and procedures – is geared toward emerging developers in Milwaukee and was created by **Alderswoman Milele A. Coggs, Alderman Khalif J. Rainey** and **Alderman José G. Pérez**.

All Lunch and Learn sessions are free and attendees should bring their own lunch. **Seating is limited** and prospective attendees are strongly encouraged to go to milwaukee.gov/LunchAndLearn to sign up.

Alderswoman Coggs, Alderman Rainey and Alderman Pérez – ACRE (Association of Commercial Real Estate) alumni – developed the concept for the series to allow those interested in development to explore current development opportunities and challenges. The sessions are free and open to the public and offer valuable insights into a variety of subjects that are critical to any developer working in the City of Milwaukee. The Monday, October 15, session on working with Department of Public Works will discuss public right of way concerns and permission and process.
