## MEDIA ADVISORY

### Alderwoman Coggs welcomes Bader Philanthropies Global Headquarters

Alderwoman Milele A. Coggs will be among speakers **Monday, October 22** at the Grand Opening Celebration of the Bader Philanthropies Global Headquarters.

The new location at 3300 N. Dr. Martin Luther King, Jr. Drive expands and rehabs a historic building. Moving from its Third Ward office, this will allow the organization to grow while putting down roots in a community it supports, according to Ald. Coggs.

“Bader Philanthropies has been a tremendous resource for the 6<sup>th</sup> District, so to have their global headquarters here speaks not only to their commitment to the community but also to the emergence of King Drive and the surrounding area,” she said.

Also slated to speak are Mayor Tom Barrett and Common Council President Ashanti Hamilton.
