KHALIF J. RAINEY

ALDERMAN, 7TH DISTRICT

Alderman Rainey welcomes Good City Brewing to the Century City Business Park July 26, 2018

Today it was announced Good City Brewing would acquire a building in the Century City Business Park for its corporate and warehousing operations. I applaud the company's owners for recognizing the value of the Century City campus, built on grounds that had been home to a number of plants during Milwaukee's golden age of manufacturing. Fast forward to today as a successful local company continues that tradition of innovation, setting up shop in this world-class facility.

One of the owners today was quoted in saying "the current downtown renaissance should create ripple effects benefitting the entire city." I couldn't agree more. And I am confident this action will be the first domino to fall: leading to other tenants locating there, ultimately providing employment opportunities and family supporting wages.
