ROBERT G. DONOVAN
ALDERMAN, 8TH DISTRICT

Milwaukee is grieving another tragic loss

Statement from Alderman Bob Donovan July 25, 2018

My heart goes out to the family of the officer who was senselessly gunned down earlier this evening while on duty. I am simply numb and I can only imagine the heartbreaking sadness and pain being felt by his loved ones, friends, and fellow officers.

My thoughts are also with the citizens of Milwaukee and everyone who cares about this city and about the men and women who risk their lives daily in the difficult work to protect each and every one of us.

As the father of a Milwaukee Police officer I can tell you that the Milwaukee Police family is hurting tonight, and that pain will not go away for some time. The past two months have been very difficult and now officers must face new grieving and emotional pain.

I ask Milwaukeeans to band together and offer as much support and comfort to our officers as possible in the coming days and weeks.

They need that support and it will be greatly appreciated.
