MEDIA ADVISORY

News event at noon Thursday to address properties targeted in city “drug house” lawsuit

Alderman Bob Donovan, Alderman José G. Pérez and Alderman Tony Zielinski will host a joint news conference at **12 p.m. Thursday, March 15** in front of **2478 S. 5th Pl.** to discuss the City of Milwaukee lawsuit against the owner of multiple rental properties where drug activity has occurred.

City officials say since 2012 drug activity has been ongoing at **Leticia Gomez’s** multiple residences, which are located in the districts of Aldermen Donovan, Pérez and Zielinski. Numerous aldermanic complaints have been received about these properties. The Milwaukee Police Department has investigated a number of these complaints and has also independently investigated these properties for drug activity. On February 18, MPD successfully executed two warrants for 2478 S. 5th Pl. and 2479 S. 5th Pl. that prompted this lawsuit. The city’s Drug House Nuisance complaint against Gomez seeks to abate the drug activity that is occurring from the properties.
