Granville Blues and Jazz Festival this weekend

The **Granville Blues & Jazz Festival**, Grandioso, is the first and only celebration of Milwaukee's diversity and Granville's proud heritage. Grandioso is a music/food celebration expressed through blues, jazz, R&B and rock and will take place tomorrow and Sunday.

The second annual event – to be held at **8645 W. Brown Deer Rd.** and put on by the **Granville Business Improvement District** – has expanded to two days, **Saturday, June 23 and Sunday, June 24** and the hours each day are from **1 p.m. to 9 p.m.**

Alderman Chantia Lewis invites the community to check out the festival. "The Granville Blues and Jazz Festival offers fun, great music and great food – please come down early for lunch or stay late and enjoy the party!" she said.

Both days there will be music, food, and drinks. Bands include the **Altered Five Blues Band**, **The Nu Blu Band**, and Milwaukee's own **Joe Jordan**. Please go to granvillebusiness.org/grandioso2018/ for more information about the festival.
