MICHAEL J. MURPHY
ALDERMAN, 10TH DISTRICT

Statement of Alderman Michael J. Murphy on International Women's Day

March 8, 2018

With women's achievements throughout history and across nations being celebrated today, we are so fortunate to have so many great women here in the City of Milwaukee. Throughout my career I've had the honor to work alongside a number of these women who were exemplary in their profession.

While it remains important to identify the social, economic, cultural and political achievements of women all year long, let's use International Women's Day as a way to herald this continued recognition.
