Alderman Pérez asks public for help in identifying vandals

The vandals who spray-painted a stretch of W. Historic Mitchell St. yesterday morning are criminals.

They are not activists, artists, or anything else that builds community and commerce.

They are criminals.

I urge anyone with information concerning the perpetrators to contact the Milwaukee Police Department immediately. Only by coming together and ensuring that those who engage in this sort of activity are caught and punished can we end this behavior.

To summarize:

The incident happened around 3:40 a.m. on March 15, 2018. Surveillance cameras in the area caught the suspects in the act.

Suspect #1 is identified as a male, between 17-20 years-old, 5'4"-5'6" tall, 150-160 pounds, with a thin mustache and medium build. He was last seen wearing a gray hooded sweatshirt with the hood up, a white shirt, black athletic pants with a white stripe down both legs, and black and white tennis shoes.

Suspect #2 is identified as a male, between 17-20 years-old, 5'5"-5'7" tall, 200-220 pounds, with a thin beard and heavy build. He was last seen wearing a camouflage baseball cap with a white logo on the front, a gray hooded sweatshirt with a black jacket, dark colored pants, and dark colored shoes.

Suspect #3 is identified as a male, between 17-20 years-old, 5'5"-5'7" tall, 160-180 pounds, with a thin build. He was last seen wearing a black baseball cap with a white logo on the front, a black jacket with a gray top and black bottom, dark colored pants, and reddish tennis shoes with white bottoms.
