MEDIA ADVISORY

Alderman Pérez to join in protest with Rep. Gwen Moore today at 11:30 a.m.

Alderman José G. Pérez will join U.S. Rep. Gwen Moore and members of the American Federation of Government Employees for a protest at **11:30 a.m. TODAY (Wednesday, March 7)** at **S. 7th and W. Mitchell Streets**, outside of the branch Social Security Administration office slated for closing later this month.

“The Social Security Administration is scheduled to close the Mitchell Street Branch Field Office on March 22nd, and I am dead set against this ill-conceived move,” Alderman Pérez said.

“There have been no public meetings and sadly inadequate outreach on the part of the SSA about the decision to close the location, which would create a vacuum on the south side for the Latino community and anyone needing vital Social Security services. I look forward to standing together today with the people and demanding that the Mitchell Street Field Office be kept open,” he said.
