MKE Commemorates Native American Heritage Month

Alderman José G. Pérez encourages residents to attend the **Native American Heritage Month Commemoration event** next week at City Hall. A news conference will be held in the first floor City Hall Rotunda at **12 p.m. on Tuesday, November 20.**

Attendees will join the City of Milwaukee, tribes and the many Milwaukee-based Native organizations for an Inter-tribal **ceremony recognizing and honoring the American Indian population** for which the collective Native American organizations, tribal foundation, and corporations contribute to the health and well-being of Milwaukee American Indian community. The ceremony will give special recognition to the programs and tribes that support Native American Elders and Youth Programs.

“Milwaukee is a very diverse city and it is important that we support each other and include the entire community,” Alderman Pérez said. “This is the first time this event is being hosted, so I encourage citizens to attend and support the Native American Organizations and Tribes, and recognize the positive impact they have had and will continue to have on our community.”
