Statement from Alderman Pérez on murder investigation

April 27, 2018

As the case progresses in the death of Jessica Rodriguez, my heart goes out to her family and the community that will no doubt be impacted for years from this crime. To commit cold blooded murder of a woman is a heinous act. Now that charges are filed, I am hopeful law enforcement and the judicial system will be vigilant in ensuring a conviction and sentencing that are fitting for this crime.
