Alderman Zielinski welcomes Klement's Sausage Company expansion

Alderman Tony Zielinski, of the 14th District, welcomes the Klement's Sausage Company expansion and modernization of its Chase Avenue plant. The **\$7.5 million project** will reconstruct 50,000 square feet of Klement's facility at 2650 S. Chase Ave. and add 5,000 square feet. The facility currently employs more than 350 people.

Founded in 1956 in Milwaukee, Klement's is known as Milwaukee's Hometown Sausage.

"I congratulate Klement's for their **continued growth and success**. I look forward to their continued investment that will benefit not only my district but the entire city and state as well," said Ald. Zielinski.

The project is expected to be completed in summer 2019.
