Join Alderman Stamper for walk in Sherman Park neighborhood tomorrow

Alderman Russell W. Stamper, II is inviting the community, families and media to participate in a Walk in the Sherman Park Neighborhood with him tomorrow (Tuesday, August 28). Participants are to meet at Butterfly Park, N. 38th St. and W. Meinecke Ave. at 5 p.m.

The event is part of Walk 100 Miles in 100 Days with Mayor Barrett. Walk 100's overall goal is to increase physical activity among residents while promoting the uniqueness of Milwaukee's neighborhoods. Alderman Stamper says Tuesday's event is ideal to achieve that.

"Sherman Park is a neighborhood rich in history and diversity," said Ald. Stamper. "Come see this neighborhood in what will be one of the final 100 Walks of this year."

The one-mile walk is done in partnership with the Office of the Mayor, Jane's Walk MKE, Sherman Park Community Association and ZIP MKE. More information about Walk 100 Miles in 100 Days can be found at Milwaukee.gov/Walk100.
