Jim Owczarski  
(414) 286-2998

## **Lobby work to affect public's access to License Division**

Work to bring improvements to the lobby area of the city's **License Division** (Room 105 at City Hall, 200 E. Wells St.) will begin Monday, January 14 and will impact access for members of the public, **City Clerk Jim Owczarski** said today.

Mr. Owczarski said the public will be directed to enter the License Division through **Room 105-A** while the remodeling work is being done.

"We are adding some security and functionality features to the lobby, as well as upgrading accessibility to the front desk in accordance with the Americans with Disabilities Act," Mr. Owczarski said. "The work should be completed by the end of the month and we ask applicants and other visitors to please pardon our dust until the project is finished."

During the remodeling chairs will be available temporarily in the first floor Rotunda for those waiting to see License Division staff.
