MEDIA ADVISORY

Celebrate Spring at the Milwaukee Marathon

President Ashanti Hamilton invites the community to the **Milwaukee Marathon on Saturday** (April 6) presented by the Milwaukee Bucks. Join thousands of runners and community members for this event, including at the after-party for chances to win free Milwaukee Bucks tickets. All races will start and finish right at the Bucks' brand-new Live Block entertainment complex. **President Hamilton** will be making the opening remarks and shooting the gun to begin the race. **Alderman Robert Bauman** will also be there to give out the awards at the finish line. Additional information can be found on the organization's website at www.runmilwaukee.com.

"We are beyond excited to have a world class marathon event brought back to Milwaukee. I would encourage residents to support the athletes at the race and utilize this weekend as an opportunity to show the non-local athletes how truly special our City is," President Hamilton said.
