## **Fondy Fridays Live After 5 kicks off Friday, June 21 for Summer 2019**

Alderman Russell W. Stamper, II invites the community to attend “Fondy Fridays Live After 5” concerts beginning Friday, June 21.

Powered by the North Avenue Marketplace BID #32, with thanks to Robin Reece, each concert will be held at the new Fondy Park, 2200 W. Fond du Lac Ave., from 5:30 to 8:00 p.m.

Local R&B, jazz, and hip hop musical acts include:

**June 21: Tha Dope Music Crew featuring Adi Armour**

**July 12: Chae Harris**

**July 26: Christopher’s Project**

**August 16: Cigarette Break**

**August 30: B-Free & Quentin Farr**

Concert-goers should bring a blanket or lawn chair to the park for their own comfort.

“Celebrate the first day of Summer 2019 with your friends and neighbors at a **free** concert in our beautiful new and improved Fondy Park,” said Ald. Stamper. “Summer in Milwaukee is short; plan to visit Fondy Park often throughout the season to enjoy live music and communing with each other.”

Please note that inclement weather may cancel a performance.
