

# MIDTOWN CENTER FORMER WALMART WORKSHOP

2nd District Alderman Cavalier Johnson, the Department of City Development and the University of Wisconsin Milwaukee's Community Design Solutions (CDS) are seeking input on opportunities for redeveloping the vacant Midtown Center Walmart. CDS will provide a brief overview of the existing site issues and national trends for vacant big box retail followed by a discussion of redevelopment opportunities and concerns.

CDS is facilitating a Neighborhood Workshop to identify the challenges and opportunities for redeveloping the vacant Walmart. What needs to happen to spur redevelopment? What uses will the market support? What are successful strategies for reusing vacant big boxes?

Please let us know if you can join the discussion.
