Alderman Robert J. Bauman shares traffic alert information for the Milwaukee Marathon: Friday, April 5 and Saturday, April 6

Alderman Robert J. Bauman shares the following information concerning a traffic alert for the Milwaukee Marathon on April 5 (set-up and staging) and April 6 (event):

The City of Milwaukee Department of Public Works (DPW) announces traffic changes for the Milwaukee Marathon on Saturday, April 6, 2019. The 26.2 mile Milwaukee Marathon begins and ends at Fiserv Forum and will wind through Milwaukee visiting many neighborhoods.

The staging area for this event will be closed to through traffic from 7:00 a.m. on Friday, April 5 through 6:00 p.m. on Saturday, April 6 as follows:

N. Vel R. Phillips Ave. from W. Juneau Ave. to W. McKinley Ave.
W. Juneau Ave. from N. 6th St. to N. Old World Third St.

In addition, streets along the course will experience rolling closures on Saturday, April 6 from 6 a.m. to 2:30 p.m. Roads may be closed several hours earlier to ensure the course is clear and safe for runners. Please pay attention to posted road closure signs.

North/south vehicle traffic will be very limited during this race. DPW suggests making use of the I-43 freeway or WIS 175 (Stadium Freeway).

Residents, churches, restaurants and other businesses, and all other organizations with driveways on the route should be aware that access during the races will be limited – make your travel/parking plans accordingly.

A full map of the marathon route and a full list of street closures can be found at <https://runmilwaukee.com/race-details/#course>.
