Hunger Task Force Summer Meals Kickoff Event

Hunger Task Force will host a kickoff event for the 2019 Summer Meals Program on **Tuesday, June 11, 2019** at **Moody Park** (2201 W. Auer Ave) from **10:00 a.m.–11:00 a.m.** Hunger Task Force works to end hunger in Milwaukee County by providing food to local food pantries, soup kitchens and homeless shelters.

There will be a short press event to start the morning. Volunteers will then depart to “sign the city” with green signs that say “Free Summer Meals Here!” The signs will be placed at more than 140 sites that will serve free and healthy meals to children all summer long. **Alderman Khalif J. Rainey** said he hopes residents of the 7th District and greater Milwaukee area will attend the event.

“I encourage you to come out and donate to support Hunger Task Force’s great cause,” Alderman Rainey said. “Through events like this, we can work to ensure that no child in Milwaukee will be without a healthy meal this summer.”
