### **Aldermen to issue warning to citizens regarding Mayor's budget and public safety**

*Alds. Donovan and Borkowski to host 11 a.m. news conference TODAY*

Mayor Barrett's proposed 2020 city budget will be the subject of a joint **news conference this morning** held by **Alderman Bob Donovan** and **Alderman Mark A. Borkowski** (the chair and vice chair, respectively, of the Public Safety and Health Committee). The news conference will be held in front of Alderman Donovan's residence at 1645 S. 28<sup>th</sup> St. (between W. Lapham and W. Mitchell Streets).

"Alderman Borkowski and I believe that if passed as is, the mayor's budget will have serious consequences in terms of public safety for the citizens of Milwaukee," Alderman Donovan said. "There's no other way to describe it, but the budget would be an absolute disaster for our neighborhoods if it stands as is. I wish it were different, but that's the way it is."
