## **Thank you Representative Fields for your years of service**

### **Statement of Common Council President Cavalier Johnson April 22, 2020**

Yesterday, State Representative Jason Fields announced he would not be seeking re-election to the State Legislature, and I want to thank him for his years of service and dedication to Wisconsin. Since he took office Representative Fields has worked tirelessly to do right by his constituents and enact positive change.

Representative Fields and I have shared overlapping portions of Milwaukee's North Side since I took office in 2016, and I've always enjoyed working with him in the name of our constituents. Jason's passion and commitment was always on display and even though he will no longer hold an elected office, I know his journey in service of others is far from complete.

I wish Representative Fields the best in his future endeavors, and I look forward to working with him again down the line.
