King Drive clean-up starts at noon TODAY

Today starting at noon and running until 4 p.m. there will be a community clean-up on Dr. Martin Luther King Jr. Drive. The clean-up is being organized by local community organizations in the wake of protests and unrest that occurred over the weekend. The clean-up will start at Pete's Fruit Market located at 2323 N. MLK Drive. **Alderwoman Milele A. Coggs** is encouraging volunteers to come together and assist the community.

“Today I ask that members of the community come together and assist the clean-up effort on MLK Drive, one of the best King Drives in the nation and an area that has blossomed in Milwaukee over the years,” said Alderwoman Coggs. “Together we will continue to restore, rebuild and revitalize in the name of creating a stronger city.”

Clean-up supplies will be provided and participants are encouraged to wear a face mask or covering. Event organizers and supporters include Pete’s Fruit Market, Social X, Greater Milwaukee Foundation, Alderwoman Milele A. Coggs, King Drive Business Improvement District, WestCare and Bader Philanthropies.
