Lincoln Avenue Elementary named Green Ribbon School

Statement of Alderman José G. Pérez April 27, 2020

Our very own Lincoln Avenue Elementary recently received recognition as a 2020 Green Ribbon School from the U.S. Department of Education. This special recognition is given annually to schools based on their commitment to healthy, safe, and sustainable learning environments.

Lincoln Avenue Elementary becomes the first MPS location and first bilingual school in the state of Wisconsin to receive this honor. I want to congratulate and thank all the teachers and staff for their hard work in making sustainability initiatives a priority, and all the community partners who have supported the school in the process. This is a true community effort that everyone should be proud of.

Este especial reconocimiento es otorgado anualmente a las escuelas basado en el compromiso saludable, seguro y sostenible en el entorno del aprendizaje.

La Escuela Elemental Lincoln Avenue se convierte en la primera escuela de MPS y la primera escuela bilingüe en el Estado de Wisconsin en recibir este honor.
